

Flip Flop

BETWEEN ROUNDS

Swap your head and tail — your snake now runs the other way.

GOBBLE · SPECIAL

Whoopsie

BEFORE RESOLVING

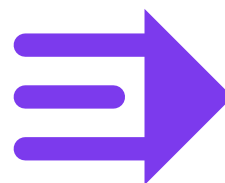

Rotate one of your single movement tiles before it resolves.

GOBBLE · SPECIAL

Vroom Vroom

WHILE PROGRAMMING

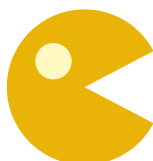

All of your boost tiles move +1 extra space this round.

GOBBLE · SPECIAL

Nom Nom

WHILE PROGRAMMING

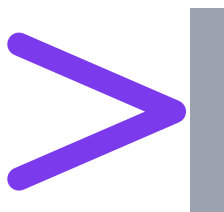

Every snake food bead you eat this round grows you +1 extra.

GOBBLE · SPECIAL

Bounce

WHILE PROGRAMMING

If you would crash this round, put your head on your tail instead and keep going.

GOBBLE · SPECIAL

Star Power

WHILE PROGRAMMING

Colliding with another snake's head doesn't kill you this round — unless they also played Star Power.

GOBBLE · SPECIAL

Rev Up

ANY TIME

Take 4 boost tiles from the stack.

GOBBLE · SPECIAL

Careful Slither

WHILE PROGRAMMING

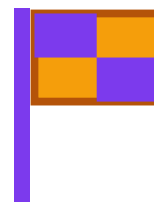

When a boost tile resolves this round you may move only 2 spaces instead of 3.

GOBBLE · SPECIAL

Victory Lap

WHILE PROGRAMMING

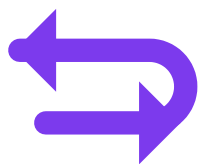

At the end of this round, score points equal to your length — or nothing if you are dead.
